ThumBelina Notes: April 2018

Please Note: Our program is very ambitious; sometimes we cannot complete all of our planned activities every day. I would rather be over planned than under planned. And should the weather break into a beautiful day we will enjoy our playgrounds and all the benefits to be had outside. *Nancy*

April is wear your Tom Thumb T-shirt month wherever you go, especially at the malls.
Thanks NB

Openings for September 2018--There are still some openings in junior and senior classes for September 2018. Not all programs are available. **Remember no-one is automatically re-registered.**

Parking Lot Safety --Please don't let spring fever allow you to become lax in the parking lot. **Our Parents and Staff deserve all the credit for a terrific safety record.** Keep up the great job! Remember, the safety rules are for everyone and we care about all our children's safety. **Any parents that park in front of Tom Thumb by the Lego House MUST DOUBLE LINE park at dismissal time!**

Other parents and I are watching you. *N.B.*

Summer Camp-----Tom Thumb is having its own **summer camp** again this year.

The brochure for our summer camp was sent home with your child but if you did not receive one or would like another one please stop by the office. **“Catch Us If You Can”** camp will run from Monday, July 2 through Friday, August 17—you choose the days and the weeks you want. And remember, if your child is sick on his/her camp day, you may make-up the day the following week. Should you have any questions about the Tom Thumb camp please call me. (914-528-5600) **Remember---ThumBelina students can attend camp for a full day or a half day** (9:00 – 12:00- the half day program is available only to ThumBelina children). Camp for ThumBelina children will be in the Tom Thumb building in the Red Room #2. *Nancy*

I truly thank you for reading the whole newsletter. Parents and staff working together make a better experience for our children. *Nancy Brophy*
