**Tom Thumb Notes: March 2015 From: Nancy Brophy**

\*\*\*\*\*

**Changing Classes**--Students and teachers will change rooms for a portion of the day. The manipulative toys in the other rooms will be introduced as well as the room. The purpose of changing classes is to gradually allow children to mix with other children of other rooms, to experience independence and free choice, to build self-confidence and to allow opportunities for socialization. Changing classes will continue thru June and could take place on any day

depending on the weather and the playground condition.

\*\*\*\*\*

**Openings for September**--There are still some openings in junior and senior classes for September, 2015. **Remember no one is automatically re-registered!** Your recommendations are always appreciated.

\*\*\*\*\*

**Seniors with "fall birthdays"**--If you have a child who will not turn 5 until the fall of 2015 and you are considering "a gift of time" (an extra year before kindergarten so that your child will be the oldest rather than the youngest) we have written materials available in the office or you may make an appointment to come in and talk to Nancy about the benefits of being oldest rather than youngest.

**ThumNastics** A reminder to ThumNastic parents; if your child misses a gymnastic class you are entitled to do a make-up class. To schedule a make-up class please call the Tom Thumb office (528-5600). It is important for them to know in advance who is coming to each class so they can maintain the coach/student ratio. If your child would like to join ThumNastics you may sign up at any time, the tuition will be pro-rated. Call the Tom Thumb office (528-5600).
