February 2015 Notes

Tom Thumb Registration--Registration for the school year 2015-2016 is on-going. **Remember no-one is automatically re-registered**, you must send in a new registration form. If you already sent in a registration form for next year you should have received a confirmation letter, if you did not receive a confirmation please contact the office.

Absenteeism: Call if your child is out for two days or more. Please report contagious illnesses to the office (chicken pox, pink eye, etc.) Let me give you a reminder: **please send only well children to school.**

School Closings---- Listen to the local radio station for school closings and delayed openings {WHUD (100.7) FM} or go online to WHUD-Storm Center. Look for Lakeland Central Schools we will do what Lakeland School District does. If Lakeland School District closes, we close. If Lakeland School District has a delayed opening we will delay the same amount of time. Before School Care will also be delayed the same amount of time for those in that program. WHUD offers a text-message registration for any school district you want—sign up at WHUD-storm center online.

Fire Drills --Unannounced fire drills will continue, of course we will not take the children outside during the drill. The drills reinforce that they are to immediately line up behind their teacher when the bell sounds no matter what they are doing and without getting their belongings. In winter we only go as far as the classroom door.
