## Advice I think all Parents Know - Nancy Brophy

1. **Don't spoil me.** I know quite well I ought not to have all that I ask for. I'm only testing you.
2. Don't be afraid to **be firm with me.** I prefer it, it makes me feel more secure.
3. **Don't let me form bad habits.** I have to rely on you to detect them in the early stages.
4. **Don't make me feel smaller than I am.** It only makes me behave stupidly "big."
5. **Don't correct me in front of people** if you can help it. I'll take much more notice if you talk quietly with me in private.
6. Don't make me feel my **mistakes are sins.** It upsets my sense of values.
7. **Don't protect me** from consequences. I need to learn the painful way, sometimes.
8. Don't be too upset when I say "**I hate you.**" It isn't you I hate but your power to thwart me.
9. Don't take too much notice of my small ailments. Sometimes they get me the **attention I need.**
10. **Don't nag.** If you do, I shall have to protect myself by appearing deaf.
11. Don't forget that **I cannot explain myself** as well as I should like. This is why I'm not always very accurate.
12. **Don't make rash promises.** Remember that I feel badly let down when your promises are broken.
13. Don't tax my honesty too much. I am easily **frightened into telling lies.**
14. **Don't be inconsistent.** That completely confuses me and makes me lose faith in you.
15. Don't tell me my **fears are silly.** They are terribly real and you can do much to reassure me if you **try to understand.**
16. Don't put me off when **I ask questions.** If you do, you will find that **I stop asking** and seek my information elsewhere.
17. Don't ever suggest that **you are perfect or infallible.** It gives me too great a shock when I discover that you are neither.
18. Don't ever think it is beneath your dignity to **apologize to me.** An honest apology makes me feel surprisingly **warm towards you.**
19. Don't forget how quickly **I am growing up.** It must be very difficult to keep pace with me, but please do try.
20. Don't forget **I love experimenting.** I couldn't get on without it, so please **put up with it.**
21. Don't forget that I can't thrive without lots of **understanding love, but I don't need to tell you, do I?**

If you have taken the time to read this, your children would thank you.
