

# School Rules

## BEFORE YOU SPEAK, RAISE YOU HAND!

Before you speak, raise your hand.

Speak so all can understand.

Only speak when it's your turn.

Give everyone a chance to learn.

## HOCUS POCUS

Hocus pocus, everbody focus.

Don't let anything interfere.

Hocus pocus, everbody focus.

Quiet and still with your eyes right here!

## KEEP YOUR HANDS TO YOURSELF

Keep your hands to yourself where they belong.

Being impolite is always wrong.

So everyone can get along,

Keep your hands to yourself where they belong!
