Our *Before and After School Care Program* is designed and implemented to make child care as a safe and pleasant experience for our students.

- 1. When filling out before /after school care form, place a check mark ✓ in the time slot for each day that you will be dropping-off or picking-up of your child. **Don't** cross out days your child will not attend, leave them blank.
- **2.** Each monthly form must be competed and submitted before the 15th of the prior month with your **payment**. For example September's Form is due August 15th and October's Form is due September 15th, etc.
- 3. It's the parent's responsibility to complete the monthly forms and submit them to our office on time with payment.
- **4.** It is impossible to deduct or credit or refund for absenteeism, since resources are allocated the previous month. Staffing for this program is quite challenging and on-demand based on your monthly forms. Thank you in advance for your understanding and cooperation.
- 5. Our facility closes at 5:30 pm. Please pick up your child promptly. In an emergency, please call to let us know you will be late.
- **6.** Please do not send any food for before care with your child. After care children will have a snack in their classroom before heading to aftercare program.
