Important information

Stay & Play Club needs a copy of your child's immunization record (including Covid vaccination if applicable) on file. Please send in with your first month's schedule and payment by August 15th. There is a limit of children we can accommodate, and this is on a first come, first serve basis.

Stay & Play Club will administer **only** over the counter topical ointments, Benadryl, Epi-Pen & inhalers provided by the parents with a doctor signed written medical request form provided by Tom Thumb. (If this applies to you, please call the office.)

Children who have special health care needs are those who have chronic physical, developmental, behavioral, or emotional conditions expected to last 12 months or more. These children also require health and related services Stay & Play Club may/may not be able to provide.

The director has the right to request a child be removed from the program for the following reasons: a child poses a threat to others or him/herself, failure of the child and/or parent(s) to abide by the rules or are disruptive to the program, failure to provide required documentation, failure of the parent(s) to meet their financial obligation to the program. The director determines when or if the program does not meet the needs of the child.

It is imperative that a parent notifies us if a child will not be attending Stay & Play on a scheduled day. There are no refunds or credits given for absenteeism.

If Lakeland Central School District has an early dismissal due to weather, children will still be bussed to Tom Thumb if scheduled to attend Stay & Play. Your child will need to be picked up ASAP as Stay & Play Club will be CLOSED! Please have alternate emergency childcare in place if necessary. Provide us with emergency contact name and phone number.
