Water Slide Permission Slip

June 2024

Dear Stay & Play Families,

We are fortunate enough to have an inflatable water slide that is fenced in between Tom Thumb and the Dynamic Gymnastics building. If your child would like to use the waterslide, please sign and return the permission slip. Children must wear a bathing suit, towel and have proper water footwear.

My child _____ has permission to use the inflatable water slide at Tom Thumb Preschool. My child will have a bathing suit, towel and proper water footwear.
